Public spaces are the foundation of healthy communities.

Informal meet-and-greet with other attendees.

1000-1030. Media screening and introduction to the workshop (Cinema 2)

1030-1045. Introduction to the hands-on activities (Waterside 3)

Joe will walk through this itinerary, as an overview of the workshop itself.

1045-1230. Session 1: experts to citizens (Waterside 3)

In this session we aim to get everyone on the same page, using big sheets of paper and whiteboards.

Dérive Comix: Share your mental images of “public space & public health” (feel free to refer to photos on your phone or other data you’ve brought along).

Meaning Map: Combine and structure each group’s data in drawings and diagrams, finding common themes.

Envisioning the future: Share key findings as *future stories*, which we will collect in one overall map.

1230-1330. Lunch (provided) 🍲

1330-1500. Session 2: citizens to action (Waterside 3)

In this session we explore the scenarios that we developed and identify paths to action.

When you return from lunch, the offsite facilitators will have created a digital version of the meaning map. They will walk through what they’ve created. Joe will describe the hands-on methods that we will use to communicate our findings from this session to the offsite facilitators, who will use them to elaborate the map.

We will ask you to map out the challenges that your future stories present, and ways of addressing them, using the four keywords and blank cards as your “game board”, and using the roles to elaborate the findings.

1500-1515. Review (Waterside 3)

5 minutes summary from Abby and Joe; 5 minutes outlook on Phase III from Leo and Noorah; 5 minutes comments from participants.

1515-1530. Close (Cinema 2)

(10 minutes) Media screening: We will watch some short films depicting public space, with new eyes.

(5 minutes) Closing remarks from Abby

1530-1700. Reception (Watershed bar) 🍹
